Web Student Management\Federal-State Reporting\Texas State Reporting

- WS\SR\TX

- 1 - Texas Users: The 2017 PEIMS Extract changes have been added to the system. These primarily consist of changes in how data is extracted and exported, but a few also have affected our PEIMS Maintain screen, at Federal/State Reporting > Texas State Reporting > PEIMS > PEIMS > Maintain Extracted PEIMS Data. These changes include the addition of two new "records" in the Organization area, for CalendarDate and ReportingPeriod data, as well as new fields added to the 010 and 020 records (for CASE data), 163 record (IEP Continuer), 203 record (FHSP College Career Inst), and 300 record (PK data). Adding these new fields to old records will allow you to continue to be able to use our existing Legacy PEIMS processes for the 2016-17 school year; this assists our Stage 2 districts with transitioning over to the new TSDS PEIMS requirements, as well.
