- WS\AD\SB\IM\IF\DT\ST

- 1 - Texas Users: Performance Acknowledgment fields have been added to SkyBuild. To import Performance Acknowledgments, follow these steps:

TX-UG Enhancement
Proj#3527883

1. Create a new Import Interface.
2. Add an Import File for the Student data type. What is in the file is up to the district, but should at least include Performance Acknowledgement, Category, and Comment. Note that if Met Date is not included, the date will default to the day the import is run.
3. Run the import.

If a student already has the Performance Acknowledgement that's being imported, no update will be made to them. Also, if the import file does not contain data for the three fields specified in step two, that Acknowledgement will not be imported.
