Section 504
Web Student Management\Student Services\Section 504
Web Student Management\Student Services\Section 504\Entry by Student
  - WS\SS\SC\SC

1 - The saving of an IAP has been updated so that if the record is not Work in Progress and the previous record has no End Date or they overlap, the End Date of the previous record will be adjusted to a day before the current Section 504 record begins. In addition, the validation, which stops users from adding or cloning a record if no End Date is on the current record has been removed.   *Enhancement*
