Web Student Management\Federal-State Reporting\Michigan State Reporting\Michigan Student Data System\Export Extracted MSDS Data

- WS\SR\MI\MS\EE

- 1 - Michigan Users: The new MSDS component of "Seclusion and Restraint" has been added to the system. This new component will be first collected in the Spring General and Early Childhood submissions. The update will add two new Special Programs tabs of "Seclusion" and "Restraint," for which user security will need to be reviewed. Seclusion and Restraint reporting is commonly entered in conjunction with discipline; however, reporting of these occurrences is now limited to disciplinary actions. The totals of the counts of entered records for each date between the Dates of Enrollment on the MSDS extract template will be totaled by the system when General (or Early Childhood) collections are run. Only Restraint records will be reported in Early Childhood extracts, as seclusion is not allowed for Pre-K students in the state of Michigan under any circumstances. Both Seclusion and Restraint incident dates/counts will be reported in General Collections.
