- WS\OF\CA\TS\PS\UT\MC

1 - The Mass Change Column Data Type from Int to Char utility has been updated to only modify the length of the test data for the column selected to have a new data type assigned. Previously, all test scores for the sub-test being processed were modified to have the length of the new data type being assigned, even though the selected column was the only one getting the new data type assigned.

Web Student Management\Office\Curriculum & Assessment\Test Scores\Product Setup\Utilities\Mass Change Column Data Type From Int to Logical
 - WS\OF\CA\TS\PS\UT\ML

1 - The Mass Change Column Data Type from Int to Logical utility has been updated to only modify the length of the test data for the column selected to have a new data type assigned. Previously, all test scores for the sub-test being processed were modified to have a length of 3, even though the selected column was the only one getting the new data type assigned.
