Web Student Management\Federal-State Reporting\Texas State Reporting\Reports\Attendance\Daily Register

 - WS\SR\TX\RE\AT\DR

1 - Texas Users: The Daily Register has been updated to correctly delete existing TSDS PEIMS records when creating new records. This corrects a TSDS-specific issue where 42400, 42401, 42405, and 42410 duplicates were being created by the Daily Register in TSDS PEIMS Maintain. For districts that experienced the issue, please note that re-running the Daily Register with the option to build PEIMS records will remove the duplicates, but only for the entities and reporting periods indicated on the template. For example, if the Daily Register is only re-run in a single entity, only that entity's data will be removed and replaced.
